420 East Ninth St.,  
Kansas City, Mo.

Dear Mr. Baird:

Please pardon my delay in answering your letter, but I have been trying to see what we could arrange. As things stand now the dates you mentioned in your letter July 29th and 30th, the Eagles are scheduled in the West with Cincinnati. I am sure you would have been quite an attraction in Newark, sorry we will not be able to play you here on either of those dates.

I would suggest that you give me the dates you plan to be in the East and we will see if something else could be worked out. I would send you my schedule instead, but I might make some changes if you will be in this neighborhood.

Hope you will have a success with the Club.

Very truly yours,
